

# SUMMER CAMP FAQS

**What should my dancer wear to dance camp?**

Dancers should wear dancewear such as a leotard and tights or activewear to their camps. Dancers should dress the part for the camp they are taking. For example: dancers enrolled in Ballet & Lyrical camp should wear a leotard of their liking and tights to each day of camp and pack both Ballet and Lyrical shoes in their dance bag. Dancers taking Hip Hop camp should wear activewear to their camp and pack their Hip Hop sneakers in their dance bag. If you need to purchase dance shoes or dance wear, the studio has many options for sale! We do ask that you visit the studio at least 2 weeks in advance to purchase any dance wear you may need, and that you do not wait until the first day of camp so that we will have time to special order your items if we do not have your sizes in stock.

**My dancer will be attending both the AM and PM camp, can they stay at the studio during the break between the camps?**

Absolutely!  
Your dancer will be supervised and safe at the studio between camps if they are attending both AM and PM camps, at no additional cost to you. If your dancer will be staying between camps, please remember to pack them a health-conscious lunch each day. Please do not drop off fast food.

**Can a parent stay to watch the camp from the lobby?**

Yes, of course a parent or guardian may stay to observe the camp. Although, we recommend that parents take advantage of the free time they will have while their dancers are at camp and take a break! Enjoy some lunch, visit with a friend, take a nap... the possibilities are endless!

**What should I pack my dancer for snack time?**

Please pack your dancer health-conscious snacks and do not send them with fast food to the studio. Some great options are fresh fruit and veggies, a sandwich, crackers and cheese, snack bars, applesauce, and yogurt.
